

CAREER OBJECTIVE

As a student of the Department of Mathematics, I am seeking a position where I can apply my knowledge and skills in a practical setting. I am a hardworking and dedicated individual with a strong desire to learn and grow. I am confident that my academic background and personal qualities will enable me to contribute effectively to your organization. I am open to any role that provides a challenging environment and opportunities for professional development.

EXPIRIENCE

- **Mathematics Tutor** (2020 - Present)
• Assisted students in understanding complex mathematical concepts such as $\frac{1}{2}$, 0.434 , 0.35 , and 0.903 .
