

**Clendenin, Math-Statistics, Science and Science Laboratory Buildings Classroom Policy
Kennesaw Campus**

Your assistance in following these guidelines will help preserve the life and security of classroom equipment.

Classroom Equipment

Classrooms are to remain closed and locked when class not in session.

Turn off AV system, lights and close classroom/locked door at end of class.

Do not allow students to stay in the room at end of class.

Classrooms should not be left open for next class. Next instructor will open for their class.

Technology Equipment Issues During Class - "Real-Time" problems (for tech support)

Please contact the service desk 470-578-6999 or

Your Department administration office or

Eqnng i g" Fgcpøu" Qffice at 470-578-6160

Report any classroom equipment irregularities or failures by emailing service@kennesaw.edu

Classroom Access

Your KSU ID card is your key and required to gain access to classrooms and labs.

Contact your department office for assistance in gaining access to your classroom if you do not have your KSU ID Card with you. Or you may contact the Dean's office for assistance.

Classroom usage other than scheduled class time requires a reservation. Please use the online link KSU Reservations portal or ask department admin. to make classroom reservations if you plan to use classroom space for help sessions or meetings in EMS <https://reservations.kennesaw.edu/>. Non-class time is often scheduled for technology maintenance. Space is limited, always check to make sure there is not something scheduled.

Whiteboards

BIC- Great Erase Bold brand dry erase makers have replaced EXPO original markers (contact your department office).

No Low Odor Markers of any brand should be used on CSM whiteboards due to ghosting (leaving imprint images hard to erase).

Experiencing problems with the whiteboard surface? Please request your department administrative assistant to input a work order to have the board cleaned.
